SUMMARY

Full Stack Developer with hands-on experience building Flutter mobile apps and modern web platforms end-to-end (React, JavaScript, Firebase), backed by 5+ years of real-world experience running live dispatch operations and customer-facing support for UK and US clients. Comfortable owning a project from client communication through deployment, and adapting fast in high-pressure, real-time environments. Fluent English communicator with a track record supporting international clients across the UK and US.

KEY SKILLS

Flutter, Dart, Firebase, React, JavaScript, HTML5, CSS3, TailwindCSS, REST APIs, Git/GitHub, Mobile App Development, Web Development, Full Stack Development, Dispatch Operations, CRM Software, Client Onboarding, Customer Service, Operations Coordination, Cross-Timezone Communication, SEO

EXPERIENCE

Full Stack Web Developer

2023 - Present

J.Sons Communication

- Building and delivering full stack web projects for clients - front-end with HTML, CSS, JavaScript and React, back-end integrations and API work.
- Delivered multiple client projects from design through deployment.

Flutter Developer & Entrepreneur

2022 - Present

Self-Employed

- Independently building Flutter apps (Dart, Firebase) solving real-world problems in Pakistan.
- Founded and run Loftiq.store, a premium furniture e-commerce brand serving Ontario, Canada - full development and business ownership from Islamabad.

Taxi Dispatcher & Onboarding Specialist

2022 - Present

Venture Taxis

- Run live dispatch operations for a UK-based private-hire fleet - allocating jobs in real time and resolving issues on the fly.
- Onboard new drivers onto booking, tracking and compliance systems.

Dispatcher & Onboarding Specialist

3+ Years

Vert London

- Managed dispatch and driver onboarding for premium chauffeur networks Blacklane and Transfeero across London.
- Coordinated live job allocation, driver compliance and partner communication across time zones.

Customer Service Representative

2019 - 2022

Final Expense Insurance (US)

- Supported US policyholders end-to-end - explained coverage, resolved billing issues, and handled sensitive conversations with empathy and precision.
